Assessor Comments	Good quality line of Black Baldy heifers. Vendors select the top end sires from Reiland. These heifers present in store condition, coming through a very tough winter in Wondalga. These heifers are just starting to turn around with more grass these heifers would bounce away. Well bred heifers which would suit to take on and get to joinable weights down the track or take onto feeder weights. Please see vendors other line of Angus heifers in same sale & also some other lines of heifers in the Tumut region.
