Assessor Comments	Excellent line of Angus EU Heifers. Heifers are offered as a run out the gate as a 48 & 47. Vendors have been selecting the top end Bongongo sires for 20 plus years. Vendors retained very minimal heifers this year due to having enough cows, so these heifers aren't seconds they are heifers that would normally be retained in the herd. These heifers are bred from one of the better Angus herds in the Tumut region. Great line of heifers to take on and join to bull of choice. These heifers are really on the do now, they have ave 1.7 kg/day since last weighed a Month ago. Heifers come highly recommended by assessor. Please see vendors other line of heifers in the same sale & also some other heifers in the Tumut region.
