Assessor Comments	Good line of Angus EU Heifers. Vendors have been selecting the top end Bongongo sires for 20 plus years. These heifers are breed from one of the better Angus herds in the Tumut region. Good line of heifers to take on and join to bull of choice or continue growing into feeder weights. These heifers are really on the do now, they have ave 1.7 kg/day since last weighed a Month ago. Small tail removed at assessment. Heifers come highly recommended by assessor. Please see vendors other line of heifers in the same sale & also some other heifers in the Tumut region.
