Assessor Comments	Weeran Angus are offering 19 Angus Heifers, August/September 2024 drop as a part of their annual female sale. Sired by Dunoon Quambatook- BHRQ317, these spring drop heifers are out of a performance sire who is a calving ease specialist! On the 15th August they were given a Coppernate Injectable, drenched with Trifecta while also receiving Incarcerate Pour-On. The above heifers are apart of 90 spring 2024 drop heifers which have been split into sire lines, therefore giving the perspective purchaser the chance to secure smaller lines of heifers to either top up numbers in their herd, or start fresh with magnificent breeding! **Please note: Weeran Angus also have 53 Heifers, 2 & 3 years with C.A.F in the Eastern States Sale.**
