| Assessor Comments      | A line of Angus / Droughmaster x heifers presenting in store condition. Heifers are showing good frames for their weight and should give buyers good compensatory weight gains. Heifers have been bred on lighter country and should do very well. Heifers were stirry to handle in the yards but the Vendor states they are good to handle in the paddock.                                  |
