Assessor Comments	A small run of Angus Heifers that would either potentially suit a breeding programme (long term) or grow out for the domestic or heavy feeder market. Heifers are NSM. Heifers are vendor bred on property at Beaudesert. Ideal heifers to go onto improved pastures, good spring - summer grasses or a summer crop operation. Great compensatory gain to be had. Of the 33 heifers assessed noticed 3 blue eyes, old scaring, 5 with small amount of white on underline.
