Assessor Comments	This is a great opportunity to purchase quiet well bred angus heifers. Heifers that are backed with top quality Reiland & Bannaby Angus Stud Genetics and no heifers being retained this year. Perfect opportunity for the successful purchaser to join to the the bull of their choice or enhance an existing herd. 6 of these heifers were purchased directly out of Reiland Angus herd as cows and calves earlier this year. Heifers present in good condition showing nice spring of rib with volume and softness. Heifers are very quiet to handle through the yards. 5 heifers had old pink eye scaring but not detrimental, 3 heifers with white on navel. See video. Highly recommend.
