Assessor Comments	Vendor bred Gilmandyke and Scotts Angus blood NSM heifers. They are the progeny of a genetically large framed Gilmandyke blood based herd with significant investments made for quality genetics. These heifers are displaying great weight weight for age, have not had a set back and are presenting in perfect forward store condition. Ideal for feedlot entry or would be suitable for a breeding program of required, alternatively they have the genetics to be taken through to an export kill if required. 100% antibiotic and grass fed only. Quality breeders heifers that will perform for the successful purchaser.
