Generally, heifers good to work with, being typical of station cattle heifers will run under pressure but I didn't find heifers to be aggressive in anyway and was happy with how well they handled.

Handled With: Bikes , On foot , Vehicles

Notable Traits	Traits
4 Head	Very slight blue eye

Assessor Comments	Good quality top draft of heifers in which a large tail was removed at assessment leaving a pretty even 3 b double loads of heifers to be sold as 3 even runs out the gate. Heifers are certainly not overdone with condition and should jam the weight on quickly for purchaser. The Yammatree heifers are highly sought after by several major feedlots, and we have good feedback on their performance in feedlots. Please note there are also 230 steers in today's sale.
