Notable Traits

Traits

4 Head Very slight blue eye

Assessor Comments Good quality top draft of heifers in which a large tail was removed at assessment leaving a pretty even 3 b double loads of heifers to be sold as 3 even runs out the gate. Heifers are certainly not overdone with condition and should jam the weight on quickly for purchaser. The Yammatee heifers are highly sought after by several major feedlots, and we have good feedback on their performance in feedlots. Please note there are also 230 steers in today's sale.
