Well educated young steers that were a pleasure to handle. All led up the race sensibly and stood quietly. Stepped on the scales without hassle and most exited at a walk.

| Assessor Comments | Nice line of EU accredited Rennylea, Dunoon & Ardrossan Angus blood Steers. Originally kept to grow onto feeder weights, being sold due to the current season. These are healthy young steers are in strong store condition and well on the do. These are an ideal lot of 1 marked Angus steers to be taken on the fattening or feedlot programs that won't disappoint. Steers with plenty of length, and stand up with stacks of bone, out of a herd of large framed females, by high growth bulls from Rennylea & Dunoon Angus studs. Cattle have been very well handled and easy to work with in the yards. |
