Assessor Comments	*****PLEASE NOTE THE VENDOR WILL OFFER 2 LOTS IN THIS SALE*****A nice line of NSM heifers. They show good frame and type and would be ideal to feed or grow out to meet grassfed markets, these heifers are anti-biotic free and pasture reared making them eligible for grassfed programs. They are also of good enough quality to join. The mature cow herd are large frame cows with cull cows being sold at around 650kg. The vendor uses Dunoon Angus bulls and the quality of the herd is evident in these heifers. NB: odd heifer with warts.
