Assessor Comments	*****PLEASE NOTE THE VENDOR WILL OFFER 2 LOTS IN THIS SALE*****A nice line of steers. They show good frame and type and would be ideal to feed or grow out to meet grassfed markets, these steers are anti-biotic free and pasture reared making them eligible for grassfed programs. They are from large framed cows and are putting on weight well after a tight winter. The vendor uses Dunoon Angus bulls and the quality of the herd is evident in these steers. NB: odd steer with warts.
