Assessor Comments	13 MINNAMURRA and JAD blood Speckled Park steers, these 12-13 month old steers will not disappoint. Extremely quiet and well doing steers with great markings representing true Speckle Park attributes. Drenched in August and weaned in June, all the hard work is done for you. Running on improved native pasture, supplemented with roughly 2kg of pellets each night. *please note vendor has 13 heifers in same sale*
