Assessor Comments	One of Three lots in the sale from Jeetho Farms, being offered due to the sale of the property. These are the tops of the Yarrinup Station bred Steers, all weighing over 340Kg. at assessment. Please note, there are 4 Vendor Bred steers in this lot, not eartagged (av. 387 kg and blend in well). These cattle have endured a bleak Sth. Gippsland Winter and are in their working clothes but really starting to do now. Decided to drench them as they came up the race as they obviously needed it and would benefit the Purchaser. Yarded the day before assessing. Good quality, Medium framed cattle that will bounce ahead in the warmer weather. Chance to put a decent run together from the one property.
