Assessor Comments	Buyers a good opportunity to secure a line of well renowned Steers of this calibre. Steers show exceptional growth and weight for age. These Steers are very well bred being by Hazledean Angus Bulls with vendor pays from \$10,000 up to \$15,000 in recent years focusing on good EMA and IMF and 200-400 day growth. Steers are out of a very well known Angus Cow herd within the Goondiwindi District. A good opportunity for a backgrounding operation to take through to heavier weights to suit Domestic and Export markets. These Steers are grain and antibiotic free and will be eligible for grass fed programs. Same vendor, same sale is offering the Heifer portion for sale.
