These heifers present very well and have a very good temperament and are a pleasure to handle. They averaged 319kg with a bottom weight of 300kg and a top of 358kg across vendor scales. NB 3 head showed to have small warts around head. If you are looking to buy quality angus x angus heifers for future breeders or to feed these should be on the top of your list, they are excellent to handle in the yards and are in forward store condition with plenty of frame, and will power ahead over the next few months,
