Quiet: 19 head

Temperament not assessed in Paddock

Heifers are well handled and were a pleasure to work with during assessment.

Bikes , Dogs

Assessor Comments	19 vendor bred good quality Angus x Angus yearling heifers presenting in healthy store condition that had an average weight at assessment of 275.6kg after a -5% curfew. Buyers a line of heifers that would be ideal to breed, feed or background. There is good compensatory weight gain to be had, and heifers show a great temperament.
