Traits																			
1 Head Old Scarring																			
Assessor Comments	Buyers a good line of Angus cross Heifers which have had a start on oats and would be an ideal article to take through to heavier weights to suit export and domestic markets. Heifers show good length, depth and feminine traits. These Heifers would be an asset to add to a breeding program or take through to trade weight. Please note vendor has an addition 2 lots of Steers in same sale.																		
Assessor	Jake Rosten (Level 2 Accredited) Phone: 0429 001 783
