Assessor Comments	Here presents an outstanding line of Coolie and Dance Angus heifers. These heifers are bred out of a quality cow herd and would be ideal to go straight onto crop or to grow out for future breeders. Heifers have had a cydetin pour-on & are just		

starting to loose their winter coat and really hit their straps after weaning. Heifers have been yard weaned on good quality lucerne and oaten hay and have returned to the paddock. Heifers average weight of 304.6kg at assessment.
