Assessor Comments	On offer is a very line of 35 Angus heifers averaging 310kg at assessment. This is a 1 mark line of Millah Murrah blood heifers that have really hit their straps in the last few weeks grazing on crop. They are in fresh forward store condition and have enough frame to go ahead nicely into the spring. These heifers have length and style and would be ideal to join to the bull of your choice. They would equally suit a backgrounder or feedlot operation.
