Notable Traits	Traits 2 Head Very slight blue eye			
Assessor Comments	344 very good quality steers to be sold as 4 even runs out the gate. This is the younger draft of steers that have done			

exceptionally well so far and with all the hard work having been done getting started on grain this has ensured the rumen is fully developed for either a feedlot or to go onto a grass program and still with plenty of scope to put further weight on. The Yammatee steers are highly sought after by several major feedlots, and we have good feedback on their performance in feedlots. There are also 114 heavier steers in today's sale
