Assessor Comments: 115 ripping quality steers to be sold as 2 even runs out the gate. Steers can be purchased on a cents per kg weight basis or $$ per head. Steers have done exceptionally well so far and with all the hard work having been done getting started on

	grain which has ensured rumen is fully developed for either a feedlot or to go onto a grass program anbd still with plenty of scope to put fuarther weight on. The Yammatree steers are highly sought after by several major feedlots, and we have good feedback on their performance in feedlots. There are also 344 younger steers in todays sale
