Assessor Comments	An outstanding opportunity to secure a line of future breeders that are the top draft of 70 heifers in the drop. They are out of large frame Angus cows and show good weight for age in what has been a tough winter. They are sired by excellent quality Bongongo Angus bulls with the vendors purchasing bulls at the top end of the catalogue. The vendor has decided not to retain any heifers from this drop. They are ready to take home and join to the bull of your choice and were noted to be cycling at assessment. These heifers will mature into excellent breeders and would be an asset to any Angus herd.
