Exceptionally quiet young steers to handle, especially given the size of the mob. All led up the race very quietly, and only very few exiting the crush quicker than a walk (these steers were listed above as slightly stirry) All steers were very quiet exiting the crush and standing in the yard behind us, calmly & inquisitively watching on. Very easy mob of young steers to

	handle.

Assessor Comments	*2 LOTS* *TOTAL 211 STEERS* This is a rare & impressive opportunity for a buyer to secure a large line of very well bred EU & Never Ever Accredited Angus Steers that will not disappoint. Bred in the Upper Murray from a renowned Angus herd, boasting 41 years of select Te Mania genetics. Highly regarded & sought after by major feedlots, buyers can have confidence they're taking on a very smart line of cattle bred to perform.
