Assessor Comments	Buyers, a rare opportunity to acquire PTIC females from a fertility focused commercial herd that has not compromised carcass, temperament and quality. Streeter Grazing have been sourcing quality genetics over the years to produce females that are feminine & reproductively sound. This line of ANGUS Cross females had a liveweight range of 386kg to 506kg with a delivery weight of 427kg. These females display good growth for age, adequate bone, length & confirmation and are all present with clean heads. They are scanned in calf to a Quality LBW Bowen Angus bull for 104 days and a registered Fairy Springs Red Brahman bull joined the Bowen Angus bull for the last 40 days. Streeter Grazing cattle have a solid reputation for performance and doing ability from many repeat feedlot buyers. These heifers present in strong store condition and are ready to calve down and become future breeders in anyone's herd. Vendor has another 1 deck in lot in same sale.
