Assessor Comments

An excellent line of Angus cows & calves. These cows have produced a calf every year and have consistently reared excellent progeny for the vendor. Oakey Holdings run an exceptional quality cow herd and source quality bulls from Milong, Crawford & Reiland Angus annually. These cows have come through the tough winter very well and are doing an outstanding job on their young calves. The calves are sappy and fresh and showing the quality of the genetics. NB: Odd cow with a long toe.
