| Assessor Comments      | Good cows and calves to finish and turnover. All cows have sound udders and doing a great job on the young calves. They have been pretreated for clearing for and will be delivered and cleared at Murgon Saleyards for buyers in the Tick free zone. 1 brahman cow was stubborn in the race when being weighed and has knocked off 1 horn and some skin, all cows otherwise good to handle in the yards. |                                          |                                        |
