Assessor Comments	Nice line of Angus cows with 203KG Angus calf at foot by Gilmandyke, Millah Murrah and Lawson Angus bulls. These cows are in their prime and are doing a great job on the calves. Its been a very tough cold winter at Swatchfield, so these units will power ahead with some sunshine on their backs. Cows were purchased ex Hamilton and CTLX weaner sales as weaner heifers. These cows have had a very good joining for 43 days.
