Assessor Comments	A very smart line of young angus cows and calves, Hazeldean & Trio Angus blood. Cows 3 and 4 yrs of age (2021/2022, majority 2022 drop). Calves are sired by Hazeldean and Trio Angus bulls and are doing a fantastic job on their calves providing plenty of milk. These cows have an excellent temperament coming from one of the quietest cow herds in the district. Calves were weighed and marked as one mob 33hd (vendors have 2 x lots in this sale). I believe these young cows have the heavier calves. Highly recommended, please call for more information.
