Assessor Comments	A very smart line of angus cows and calves, Hazeldean & Dunoon Angus blood. Calves are sired by Hazeldean and Trio Angus bulls and are doing a fantastic job on their calves. These cows have an excellent temperament coming from one of the quietest cow herds in the district. Calves were weighed and marked as one mob 33hd (vendors have 2 x lots in this sale). Highly recommended, please call for more information.
