conditions. Considering the season, these mothers are in great condition and have done a fantastic job of mothering their calves which were weaned a week ago. With medium to large frames, exceptional temperament and classic Hereford markings, these great mothers would be an asset to any operation. Cows have been joined to an Oswald Angus bull for a 9 week joining period (18/5/25 - 26/7/25). A classy package not to be missed. Pregnancy Test Certificate available, please see photos for full satisfaction.
