Assessor Comments	Very good opportunity to secure a nice line of Santa/Droughtmaster Cows & Calves sired by a a very good quality Landfall Angus Bull. The Cows are doing an excellent job on the calves with the lead being over 200kg and some dropping in the last 4 weeks. These cows were purchased ex Wanaaring in March 2024 on A+ as 2-5 year old's but all had #0 and #1 Brands that could be seen. These cows are best described at medium to large frame with a percentage of approx 15-20% smaller frame cows and are in fresh store to forward store condition after experiencing and exceptional winter in the Cunnamulla district.
