Assessor Comments	Quality Heifers and Calves that are out of Millah Murrah blood cows, sired by Millah Murrah Stud Bulls including sons of Kruse Time, Marlon Brandon and Quixote. Young future matrons that are well grown and showing all the positive attributes of well-bred angus cattle. Heifers all calved unassisted over 35 days to specially selected Millah Murrah calving ease sires in MM UNIVERSE U423 and MM Universe U473 (Both MM Rocketman sons). Ideal article for purchasers looking to add quality genetics to their herd. Heifers present in strong store condition after a typical Tablelands winter, showing good udder shape and milk flow that are doing a great job on fresh calves at foot. Note all Heifers showed signs of rubbing and one calf had a splash of white to naval.
