Pleasure to handle, cows were drafted off calves, weighed and mouthed without any dramas at all. Genuinely quiet cattle.

Handled With	Bikes , Vehicles
Assessor Comments	Good lot of genuine mixed aged cows that range from a 2 tooth heifer up to the odd older cow. Most have a very fresh full mouth and would make great units to fatten and split. Upmost care has been taken with mothering and units have been running together for some time. Vendor has another lot of Speckle park cows and calves in this same sale.
