	Very good heifers to handle. Nice and quiet heifers and calves to do anything with.		
Handled With	Bikes		
Assessor Comments	A outstanding line of heifers and calves that are doing a great job on their calves. These large framed heifers are by gilmandyke bulls and would make a great addition to any herd. There calves are by Aluara angus bulls and the heifers have been running back to the same bull since calving. These units will not disappoint and come highly recommended.
