			Quiet: 26 head	
Handled With	Bikes , On foot			
Assessor Comments	Poll Hereford Heifers 2 years, ex Tarcombe stud cows, with Aug/Sept drop calves at foot. Heifers are herd-book registered. Calves' sires are listed in the assessment. Received 1st 7-in-1 vaccine at assessment, and bull calves were marked. Tarcombe Herefords have been breeding Hereford cattle for 40 years plus. It's a great opportunity to purchase future breeders with all the hard work done; you can buy with confidence. Very quiet outfits. Heifers present in fresh store condition with neat udders and plenty of milk and are well framed for their age. All calves are weighed at birth and tag ID to mother.
