Heifers were very easy to handle throughout the entire assessment process.

Handled With: Bikes , On foot , Vehicles

Notable Traits

	Traits
1 Head	Old Pink Eye scarring 1 eye
3 Head	White on /around udder

Assessor Comments: A very neat line of PTIC Angus heifers being offered by Weering Pastoral. Heifers are generally moderate to larger framed and display adequate muscle and fleshing ability. Weering Pastoral are well known within prominent grass fed programs with bulls selected on IMF, 600 Day Growth, Positive Fats and Docility. Heifers are PTIC to LBW sire Dunoon T411. Heifers present a rare opportunity to obtain Weering Pastoral females rarely offered. Buyers please note exact joining dates are unclear and a guide is provided with the bull being noted to be in for a 7-10 day period.
