Assessor Comments	34x34 7 year old cows (5th calvers). with brilliant thick calves at foot. This is a genuine sale with property being sold. cows are in very good order considering the season locally. they are maintaining weight and milk production well and it shows in the fast growth of the calves. The calves are August 1st Drop being 1-2mths old. Neil & Corrie (vendors) generally would wean and grow calves out to either feeder weighs or fatten depending on seasons and always get great results. Cows are Pinora angus blood with the calves being sired by leawood angus bulls. there is one Angus/Hereford x cow with a white Faced Calf. please note Vendors have one other lot of cows in this sale 33x33 5 & 6 yo (3rd-4th calvers)
