Assessor Comments	Today Buyers we have a line of 8 x Station Mated Cows. These have always been great breeders and have done their job for the Vendor of the past years however only selling due to downsizing. On assessment the Cows averaged 517kg on Delivery and are all of great frame and showing in fresh store condition. This is an opportunity to secure great turnover Cows or to take on as breeders as these Cows have plenty of life in front of them. Please note Vendor has another lot in the same sale.
