Assessor Comments	A nice line of young Speckle Park Cows & Calves. These Cows are in the prime of their lives being 3-6yrs and have come out of a tight winter and are really starting to bloom. With a very good frame, bone and depth to them these cows are doing an outstanding job on their young calves with a great deal of milk under them. Calves are sired by Royalla Shorthorn and JAD Speckle Park blood sires and are showing very nice even type.
