	Heifers & calves all stood on the scales with ease, weighing setup wasn't the best. Once finished weighing photos and videos where taken in the paddock by just walking around on foot all units did this with ease			

Handled With	Bikes , On foot
Assessor Comments	Vealer Mothers with plenty of milk on their first Ai'd Calves. Big framed Heifers that were Ai'd sired by RR Endeavour & calves by Alpine Angus Main Event. Very quiet units would suit any operation. Take them home and join them to the bull of your choice
