	These Cows & Calves are well educated and easy to handle, being familiar with people, motorbikes & dogs. The odd Cow would become slightly agitated while being on the scales, due to not experiencing this process often. These Cows & Calves easily walked up from the back yard into race with no issues.

Assessor Comments	A quality smart mob of Angus Cows&Calves. These articles are being offered due to the toughness of the season & deciding to lightening off numbers otherwise would have remained in the herd. These medium to large framed females have great potential and this is noticeable on the excellent job they are doing with their calves. Youngal Station has been selecting Bulls with high Indexes focussing on IMF, 400&600 day weights & calving ease. Buyers Please note the vendor has another 34x34 Angus Cows&Calves on offer.
