Assessor Comments	Top of the drop, vendor bred Angus x Angus heifers. Heifers are from large framed self replacing Tattykeel and Talooby blood herd cows and sired by Tattykeel bulls. Heifers weighed from 278kg - 347kg after a 16 hour curfew. Heifers are in forward condition and will really push ahead with warmer weather around the corner. Whether you are seeking additional breeders or trade opportunities, these cattle will not disappoint.
