Assessor Comments

On offer is a line of 12 Charolais Heifers. These calves have averaged 205 kg and have all the right traits to continue to grow into big framed Cows. An outstanding opportunity to put together a line of quality bred future breeding heifers. Although enduring a challenging 12 months due to seasonal circumstances these heifers present in an extremely healthy condition and are continuing to power forward on an upward trajectory. It must be noted that the Vendor prides themselves on the temperament of all their cattle and these young heifers showed no exception being a pleasure to handle. NOTE: This is a herd dispersal and a Top draft of 22 heifers are also on offer in this sale as well as an additional 5 lots of Older Cattle in the Eastern States Cattle sale
