	Excellent cattle to handle. I moved around them in the yard with very little disturbance. Being yard weaned and regularly fed hay has made them quiet and used to human contact					

Handled With	Vehicles
Assessor Comments	An excellent draft of the Crafter cattle. They are weaned, soft coated, quiet and ready to fly on good feed. The feedback from previous buyer has been excellent. Highly recommended for those looking for quiet cattle that will fatten beautifully on good feed.
