Assessor Comments	164 FRONT PADDOCK EWE HOGGETS. Glen and Tracy Farr once again offer their outstanding surplus young ewes at the Blue Ribbon Lameroo off Shears Sale. Glen and Tracy are Meticulous in their ram selection buying from the Ridgway Advance Stud buying structurally correct Rams with Bright white stylish wool. These young ewes cut 6kg of Fleece wool at 10 Months growth. These Ewe Hoggets averaged just over 70kg at assessment which is a credit to the Farris in what has been one of the most challenging seasons we have seen. I highly recommend these Ewe hoggets and have no doubt they will perform for the purchaser.
