| Assessor Comments | Great opportunity to secure a run of top breeding 5.5yo Poll Merino Ewes, Barung bloodline. These ewes presented fantastic during assessment which is a credit to the vendor in the tough season we have seen in the Loxton area. Running on improved pastures of medic, self sown and grass these ewes have a deep body with solid carcass traits. Vendors has turned out near on 100% Merino lambs since first joining as hoggets and sell 5.5yo ewes every year as apart of their self replacing program. Cutting approximately 7-8kg of wool at 19.5um. Buyers can purchase with confidence knowing these ewes will join immediately with a ram of their choosing and produce fast growing big and long bodied lambs. |
