Assessor Comments

An extremely well bred line of Speckle Park x Angus heifers that have plenty of frame along with fantastic cover. Heifers were all weighed 328-419kgs. Heifers are out of Kenny Creek and Scotts Angus blood cows, and are sired by top quality JAD, Te Mooi, and Minnamurra Speckle Park bulls. With the genetics shining through these heifers, they make for a very

attractive article with plenty of bone structure and shape. Would also suit a restock to take back to the paddock and join. Grass fed and antibiotic free. Please note there are 292 steers and heifers offered in todays sale off "Barkala Park".
