Assessor Comments	An extremely well bred line of Speckle Park x Angus steers that have plenty of frame along with fantastic cover. Steers were all weighed 340-434kgs.. Steers are out of Kenny Creek and Scotts Angus blood cows, and are sired by top quality JAD,				

Te Mooi, and Minnamurra Speckle Park bulls. With the genetics shining through these steers, they make for a very attractive article with plenty of bone structure and shape. Grass fed and antibiotic free. Please note there are 292 steers and heifers offered in today's sale off "Barkala Park".
